Subject: Re: WebCT guest account

Hi there,

I created the account and added it to the course as a student.

ID: MBA8030guest

password: webct

Thanks

Hits refers to the number of times the student accessed a homepage, tool page, and content module page.

Items Read is the number of articles the student has accessed in Discussions.

when tracking students under Articles read, what are these 2 features referring to?

Hits -- on what?
Items Read -- which?
